Our Story...

A generation ago, in the town of Pozzuoli, in the province of Naples (Birthplace of Sophia Loren), Carlo Capuano first began his long standing tradition of serving time honored family recipes to the public. This continues today with sons Vincenzo, Giuliano, Anello, and Floriano.

Since coming to America in 1983, the Capuano family upholds the long family tradition of making exceptional dishes with the style and flair that have won the hearts of Italy.

It is with great pride and pleasure that we offer you this opportunity to experience a small piece of our heritage, our family and our traditions.
